

Stroboscope model **HSSB-XN**

Product Features

- The Stroboscope HSSB-XN enables patterns being printed at high-speed to be immediately frozen so they can be viewed.
- enables patterns being printed at high-speed to be immediately frozen so they can be viewed.

Specifications

Model	HSSB-XN01	HSSB-XN03
Oscillation mode	60-4000 flash/minute	60-3000 flash/minute
Power supply	220 VAC- 1A	9-12VDC 1AMP
Input trigger	0.1Hz-50Hz	
Brightness	0-100%	
Emission duration:		60 min at an oscillation frequency of 20 Hz
		80 min at an oscillation frequency of 10 Hz
Recharging time		up to 3 hours (rapid recharging)
Temperature	-10 -- 50°C	-10 -- 50°C
Weight	1.0kgs	1.5kgs
Dimensions	76 (width) x 120 (height) x 220 (total length) mm	76 (width) x 120 (height) x 220 (total length) mm
